## Disclaimer - Legal notice

### § 1 Warning on content

The contents of this website, which are free of charge and are freely accessible, were created with the greatest possible diligence. However, the provider of this website assumes no responsibility for the accuracy and timeliness of the freely provided and freely accessible journalistic guides and news. Contributions marked by name reflect the opinion of the respective author and not always the opinion of the provider. Just by accessing the content which is free of charge and freely accessible, no contractual relationship between the user and the provider is concluded, insofar as it lacks the legal binding will of the provider.

### § 2 External links

This website contains links to third party websites ("external links"). These websites are subject to the liability of the respective operators. The provider has checked the external content on the initial linking of external links to determine whether any legal violations exist. At that time, no violations were evident. The provider has no influence on the

current and future design and content of the linked pages. The setting of external links does not mean that the provider makes the content of the respective link or reference his own. A constant control of external links without concrete evidence of legal violations is not reasonable for the provider. However, in the event of legal violations, such external links will be deleted immediately.

### **§ 3 Copyright and ancillary copyright**

The content published on this website is subject to German copyright and ancillary copyright. Any use not permitted by German copyright and ancillary copyright law requires the prior written consent of the provider or respective copyright holder. This applies in particular to duplication, editing, translation, storage, processing or reproduction of content in databases or other electronic media and systems. Contents and rights of third parties are marked as such. The unauthorized duplication or passing on of individual contents or entire pages is not permitted and punishable. Only the production of copies and downloads for personal, private and non-commercial use is permitted.

The presentation of this website in external frames is only permitted with written permission.

### **§ 4 Special conditions of use**

Insofar as special conditions for individual uses of this website deviate from the aforementioned paragraphs, this shall be expressly stated at the appropriate place. In this case, the special conditions of use apply in each individual case.
